E. Entities not preparing financial reports

For each state public sector company, other than government owned corporations, the board of directors considers the requirements of the *Corporations Act 2001* or the trust deed to determine whether it needs to prepare financial statements. The board must revisit the assessment every 3 years or whenever a significant change occurs.

When entities are part of a larger group and are secured by a guarantee with other entities in that group (that they will cover their debts), the Australian Securities and Investments Commission allows them to not prepare a financial report. In addition, dormant or small companies that meet specific criteria under the *Corporations Act 2001* are not required to prepare financial statements.

If entities form part of a larger group that reports to the Australian Charities and Not-for-profits Commission, the commissioner may allow the group to jointly report under subsection 60–95(1) of the *Australian Charities and Not-for-profits Commission Act 2012*.

Accordingly, the Auditor-General will not issue audit opinions for the following controlled public sector entities for 2021, as they were not required to produce financial statements.

Figure E1
Education sector entities not preparing financial reports

Public sector entity	Reason for not preparing financial statements	
University		
Controlled entities of Central Queensland University		
Australian International Campuses Pty Ltd	Non-reporting	
Australian International Campuses Trust	Non-reporting
